CHANGES FOR THE BETTER

MARCH 18, 2024

TWO NEWSLETTERS

To the new people joining, welcome! I am excited for all who are going to continue this journey with me through these emails. This is the first time I am making two different newsletters, one in Danish and one in English. There is not going to be any difference other than the language, so don't feel like you're missing out.

25TH BIRTHDAY

This month I turned 25. And as a Danish tradition, if you are not married by 25, you get a buttload of cinnamon thrown at you. However, as I work in scaffolding, my colleagues felt obligated to be the ones to throw it, and let's just say they did not hold back, with a solid 2,5 kilos (5,5 pounds) of cinnamon and a leaf blower to blow it all over the place. Don't worry, the shower was close by!

FAMILY DINNER

My little sister has her birthday just two days after mine, so we usually celebrate it together. She turned 18! She is the youngest, and now we are all adults. We celebrated with good sushi, and it was an amazing time. Then more family came over during the weekend to continue the celebration, and it felt really good being celebrated at home after having spent my birthday apart from family for 2 years.

Prayer request:

Getting fully funded to staff at Colorado Springs YWAM.

Fully equipped to serve the Lord.

Peace about leaving Denmark for now.
