CHANGES FOR THE BETTER

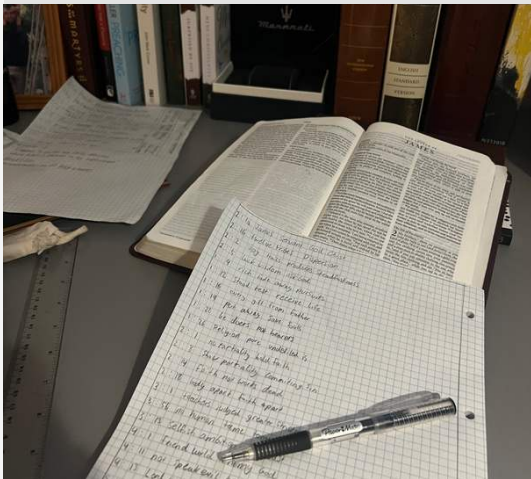

MARCH 18, 2024

## WHAT'S NEW?

This month, I had the honor of preaching for the young adults in my church. This is something I know God has put on my heart to do, and I have been patiently waiting for the opportunity to do so. Finally, the time came, and I was very excited and nervous. I had the privilege to speak about “why we need to read in our Bible”. It was a good night, and just a week later, I got invited to speak at another church, which was funny since they didn't know I had just spoken for the first time in my church a week before. Then, just a couple of days after that, one of my close friends asked me to speak in his church in another city. God was doing incredible things through me, and I am so grateful.

This is only picture of me preaching, there will be others, for now I'm sorry

## MY RELATIONSHIP WITH GOD

Coming back from YWAM and trying to balance work, life, and time with God after being on a Bible school, I thought I would have gotten a lot better at it. I have to set aside time or sacrifice time myself in order to spend it in the Bible or with God. In a Bible school, that time is set aside as part of the schedule. So, it has taken me some time to get back into that rhythm. But that is what discipline is all about! Sacrificing “your time” to get to know Him more and listen to what He has in store for you. Since then, I have gotten closer to our King and feel more alive!

## COLLECTION

Right now, I am reading “God Has a Name,” and it has given me a greater fear of the Lord than ever before, knowing He is also in control of finances. I currently have \$150 in monthly support, so I need just \$850 more in order to get my visa. Thank you to all who have given and are supporting. This is not only for me to staff, but it also goes into the investment of reaching young adults and sending out to the nations! If you feel like helping financially, send me a message. Many blessings - Markus
