

How close are you with fundraising?

THE CHALLENGE

Right now, I have around \$300 in monthly support, which means I'm \$700 short. I am honestly so thankful for all the support I've received so far, because it is quite a humbling experience to put yourself out there and ask for people to invest in you. I am hoping that by making a website, people will see that the money they invest isn't for me to go out and "have fun," but goes towards furthering the Kingdom of God, both with the young adults on base/DTS and the people we reach in the outreach phase.

I'm praying for support, knowing full well that God is in control and has called me to go to YWAM Colorado Springs. Nothing is impossible for Him, and He gives me strength to move forward!

If you feel like supporting me, feel free to give me a text and I'll set you up! God bless!

HOW ARE YOU FEELING WITH BEING SO CLOSE TO MOVING?

I am honestly starting to feel it's time for a change. I am preparing as much as I can and still staying in the present. But it does feel so surreal that I'll soon be leaving everything for the next two years, which includes the culture I grew up in, the language, my friends, and most importantly, my family.

I think I'll really start to feel it when I have gotten the support needed, my visa, and tickets. God has really been teaching me so much by being home, and I am looking forward to seeing what He has in store in Colorado.
