My lovely dad reading and relaxing on our vacation

EASTER BREAK

Each year our family goes on Easter break together, and since I've been traveling, this was going to be a very special vacation for me. We usually spend a whole week away in a summerhouse and play board games, read, and spend some quality time. I enjoyed this time a lot because I got to read a lot more than I usually do. But most importantly, I got to relax and be with family. We had a great time recharging our batteries but also connecting a lot more with each other, especially with my older sister and her husband, Thomas, who are amazing people that I don't see every day.

HOW IS THE CHURCH GOING?

It has been kind of a crazy month with a lot going on in my church. We have been building a new church that is finally open! This weekend we had our opening ceremony for everyone. So there has been a lot of moving and getting everything in order for the grand opening. It was very busy but so much fun!

Other than that, my friend Svein and I have been in charge of doing a short review of James, 1-2 Peter, 1-3 John, and Jude here in April. It has been cool how much people are loving it this month. It is a lot of time and effort to do so, but it's all worth it!

My friend Svein and I talking about some historical background in the Bible for our church
